1. Please identify what you consider to be the strengths of the course (or section).

I love how you involve our thoughts and ideas while you lecture. The videos are interesting as well. You a great teacher and your mic works perfect for you btw, w/o the mic I can hear you perfectly!

2. Please identify area(s) where you think the course (or section) could be improved.

Although we meet once a week a fun way to memorize terms for exams is to play a game of jeopardy or charades.
😊

1. Please identify what you consider to be the strengths of the course (or section).

① Quizzes: I personally like the quizzes because I get to review what I learned and see what I learned

② Lecture Notes: I think there are helpful because then we are able to write notes on the side to clarify.

2. Please identify area(s) where you think the course (or section) could be improved.

① Activities: I think there should be more exciting and interacting activities
→ Kahoot: make teams and see who was able to understand the lecture of the chapter

3. How satisfied were you with this course (or section)?

I am satisfied with the class because it is allowing me to remember some of the material I learned in high school so I can take the AP test. I am also satisfied w/ the class because I am learning more in depth of psych than I did in high school,

- Interesting topics
- General Knowledge.
- Great materials supporting (summary-quizzes)
- Fun homework
- Interesting videos
- In class activities

2. Please identify area(s) where you think the course (or section) could be improved.

It is an evening course which makes the learning process harder because we are tired for working & studying the whole day.

- It is hard to be focus on the lecture (a little monotonous)
- It is A LOT OF INFORMATION to memorize for the test.
- I feel very overwhelmed the day of the test although I spend time reading, summarizing, and doing flashcards.
- It will be great to have some time in class to review the general Knowledge.

3. How satisfied were you with this course (or section)?

→ I don't like to have lecture on a different topic before the test. We should review some topics before the test instead.

③ I like the course it is very interesting but as an ESL student it is harder to memorize all of these new info.

3. How satisfied were you with this course (or section)?

I work full-time and have other responsibilities so a shortened class period would be nice. Also, I'd rather take an exam immediately than learning more/new information because I'm more likely to forget what I need to remember for the test.
